Thank you for supporting this national appeal to help over 10,700 surviving wives, children and family members of police officers killed in the line of duty. All donations are tax deductible.

For some families, our emergency financial assistance helps with a mortgage or rent payment. For others, our grief counseling grants help them cope with their overwhelming loss and confusion.

And for our teenage survivors, like the young girl who wrote us the note below, our scholarship grants help make dreams come true. Here's what she said in her note:

*"I just want to thank you for your assistance in furthering my education. It's been almost five years since my Dad was killed and it's such a good feeling to know that there are people who care about the children left behind. Thanks to you I'm able to pursue my dream of becoming a nurse."*

With my sincere gratitude,  
*Dep. Dennis Wise*
